## **RENEWAL OF ASB BOARD MEMBERS**

**MARCH 2009**

It gives us great pleasure to send you the Candidacy Proposals for the renewal of office on the ASB Board which will take place at the assembly of March 9, 2009.

The following have presented themselves as candidates:

Philios Andreou

Balbino López

Julio Morales

Below are their proposals in full:

### **PHILIOS ANDREOU**

**1. Name and Surname:**

Philios Andreou Sphika.

**2. Child(ren)'s current academic year:**

Expert and 5th grade.

**3. What are your reasons for wanting to play a more active role in school life?**

I am currently Board President and I have been on the Board for the past three years. During this time a series of projects have been set in motion, such as the new Strategic Plan for the ASB, which includes an economic stability plan, an infrastructure plan and also the introduction of indicators to measure and monitor performance with the methodology balance scorecard. We have also been studying

means of establishing greater stability on the Board. All these are ongoing projects, and for this reason I have decided to stand for re-election to ensure that we neither stray from our objective nor lose the experience gained until all of this has been achieved.

**4. How do you feel that your presence on the Board will further the attainment of ASB objectives**

As I have already mentioned, my presence will provide greater stability and also knowledge, two elements which I regard as necessary if we are to attain the objectives referred to above. The school is presently undergoing a series of changes included in the New Strategic Plan, and I believe that any change of personnel or office on the Board at this time may result in instability. Some of the changes which we need to oversee are aimed at facilitating the transition of Board members in order to avoid interference with the school's main mission, which is education, one of the most important aspects which the Accreditation Committee of the CIS has highlighted as an area where the school needs to make improvements.

**5. How do you think your knowledge and experience will assist in the development of tasks to be undertaken in coming years?**

Naturally I would like to draw upon my experience on the ASB Board (3 years) as Treasurer (1 year) and President (2 years) in order to consolidate these changes as well as prepare those to whom we will hand over responsibility.

# **BALBINO LÓPEZ**

## **1. Name and Surnames:**

Balbino López Robles.

## **2. Child(ren)'s current academic year:**

Currently I have a daughter in 5th grade.

## **3. What are your reasons for wanting to play a more active role in school life?**

I believe that the school requires the collaboration of as many parents as possible in its structures and activities, and therefore I feel that I too should lend a hand in whatever way I can.

## **4. How do you feel that your presence on the Board will further the attainment of ASB objectives?**

During the period 2006-2009, when I participated on the Board, the School initiated a set of projects which have yet to be completed, and I believe that my renewal will provide a degree of continuity which may contribute towards their being successfully brought to a conclusion.

## **5. How do you think your knowledge and experience will assist in the development of tasks to be undertaken in coming years?**

As well as bringing continuity to the Board and helping to complete ongoing projects, I feel that this new period is also necessary in order to hand on the experience we have acquired to those new members who will join the Board.

## **JULIO MORALES**

Dear Members:

My name is Julio Morales, member and Secretary of the current ASB Board. On completion of the period for which you voted me onto the Board, the time has come for the revocation or renewal of my position.

I am writing to request your trust and approval of my renewal for two basic reasons:

- My desire to continue working for the school.
- The idea of continuity in the current management team in order to consolidate the tasks undertaken.

Thank you for your support.
